

Facilitate the quarterly monitoring/cleanup of Island #1C in conjunction with the semi-annual lake sweep efforts of FOLKS.

These events should occur during the following time periods:

Spring - Jan 16-23rd 2011

Summer - June 14-21st, 2011

Fall - September 17-25th, 2011

Winter - November 14-21st, 2011

The co-ordinator will solicit the assistance of persons willing to help who have a pontoon boat.

The results of the efforts of the group during the spring and fall events will be reported to the lake sweep committee.
