Webmaster Notes

The Keowee Anglers web site was developed with Microsoft FrontPage 2003. Maintaining the site requires no programming skills. Anybody who possesses proficient Window skills could learn to maintain it with minimal training.

Our domain name is **http://keoweeanglers.com/**

Our web site hoster is Tripod. They're located at http://www.tripod.lycos.com/ Our user name for this site is keoweeanglers. See the club secretary or web master for the password.

Our web hoster charges are $8.95 per month. Currently, this is charged to the web master's credit card.

The following information is maintained on the site.

Home page   Contains info regarding current news and upcoming events.

Who Are We page   Contains info regarding club history, objectives, meetings, tournaments and board of director members.

News   Contains links to BOD meeting minutes.

Join/Review page   Contains membership application and instructions.

Tour Results page   Contains current year big fish standings and team tournament results.

Tips, Links & Guides page   Contains a wealth of info including fishing tips, guides for Lakes Keowee, Jocassee and Hartwell, area sporting good stores, etc.

Photos   Contains pictures of fish (largemouth, spotted bass, catfish, crappie) caught by club members.

Tournament Regist page   Contains tournament application entry form

As far as I know, there has never been standards developed that specify how long the web site information needs to be kept.
