 - Ken Sturdivent Fishing Class March 24, 2011 –
 - So far only 12 members have signed up against the minimum of the 20 Ken requires to hold the class (Dave Garrison will send the membership an e-mail reminding them to sign up if interested)
 - March Program – nothing definite as yet, but working on 2 potential speakers
 - Island 1-C Clean-up – completed during January. Very little litter. Two people can handle this job easily. Next “sweep” during April.
 - Position Replacement – no one has volunteered to take Dave's place as Program Director. Dave Garrison to send another e-mail to the membership soliciting volunteers
- Bob Skipp – Lake Sweep Coordinator
 - We need a replacement for John Wilson to serve as Lake Sweep Co-coordinator. Dave Garrison to send an e-mail to the membership soliciting volunteers.

- We will need 11 boats for the lake sweep to be held during April
- Keowee Angler's lake sweep responsibility is as follows
 - Entrance to the High Falls area is the southern border. From that point the west shoreline to the Route 183 bridge
 - The Route 130 Bridge on the East
 - The Little River area above the Route 183 Bridge to the north
- New Business –
 - It was suggested that we investigate as to whether or not there might be an opportunity for KA to participate in the "Wounded Warriors" fishing day if it is held this year. The issue last year was lack of insurance coverage provided by the organizers. We will ask Bill Walker to investigate the status for this year.

Our next Board meeting is scheduled for Thursday, March 10, 2011, at 9:30 AM at The Seneca Family Restaurant.

There being no additional business, the meeting was adjourned at 10:30 AM.
